

**Amendments to the Specification**

The Examiner is authorized to make an Examiner's amendment to correct the misspellings on pages 12, 13, 15, 17 and 18. Applicants' copy of the patent application as originally filed does not show any misspellings as referenced in the Office action. Copies of pages 12, 13, 15, 17 and 18 as originally filed are attached highlighting in yellow the alleged misspellings.
